

Alabama Day

MARK YOUR CALENDARS FEBRUARY 10th and 11th!

We have a great schedule of activities for Feb. 9th and 10th in Orange Park for Alabama Days at Moosehaven.

The week-end will start with the annual golf outing on Friday at The Fleming Island Golf Club, located 7 miles south of Moosehaven. If we have enough golfers (30), we can have a shot-gun start at 12:30. This is one of the nicest courses in North Florida, with several tee areas to meet any need. So far, we have 12 Moosehaven residents signed up for the event so we really need to show them how much we support them by having a great turnout. It will warm your heart and tickle your funny bone to spend time with them on the golf course. Prices are listed below.

After the golf, we will host a Moose Mixer at the Michigan Bldg, at 6:30. We will tap a keg of beer and serve wine, cheese and snacks for everyone until around 8:00. Then we will finish off the day with a pool party at the Roadway Inn (we will have an inside meeting room if the weather does not permit outside activity.)

Saturday will start with tours and visitation with residents, beginning at 9:00. At 11:00 we will host the residents with a cook-out at the Michigan Bldg., followed by Karaoke and partying with the residents, as long as we last. Then back to the Roadway to complete the day poolside, with the same contingent plan as Fri.

All events at the motel are BYOB so plan accordingly and bring a spare for any residents that decide to show us how to party. Then, sometime Sunday morning we will leave, more committed to our total Moose Program than ever, and we will see the results from this throughout.

Room Rates	RESERVATIONS	GOLF
2 nights lodging (all activities except golf)	Contact	Per Person
1 person in room \$115.00	Tom or DeAnna	\$30.00
2 persons in room \$130.00	256-547-4589	Sponsor a resident
