The Cullman Moose Lodge 1861 celebrated its Golden Anniversary on Saturday, January 21, 2012. Dale Greer, City of Cullman Assistant Director of Economic Development Board, served as the Master of Ceremonies and welcomed Wesley Crowder the Moose International Supreme Governor of the US, Canada and Great Britain, as their guest speaker.

Supreme Governor Crowder talked about the local lodges' support of the Mooseheart Child City & School located near Chicago, & Moosehaven, a retirement community, located near Jacksonville, Florida, as well as their local community service projects.

The Key to the city was presented to Supreme Governor Wesley Crowder by the Mayor of Cullman, Max Townson. Mayor Townson, who was accompanied by his wife Kay, gave a glowing report on the City of Cullman, which included the city school system & the rebuilding after the tornado damage.
