For those who have their dues coming due between now and April 30, I ask that you please consider renewing now before the dues increase. The New Years Eve party was a great success and I continue to see super turnouts for the WOTM Suppers. Our election for Officers

is coming up. If you are interested and want more information, please speak with a current officer. If being an officer is not in your plans then please consider a Committee Chairman position. It's 2012 and WE CAN DO IT! Governor Denny Antisdell

Administrator's Comments: The first month of the New Year is coming to a close – as I look back over the past few months, I continue to admire the accomplishments our lodge has been successful in achieving. Our membership continues to grow, thanks to those who continue to invite their friends, relatives and associates to join. I take pride in watching everyone work together as a "team", the Moose Legion Committee and especially the Women of the Moose Chapter. Without this co-operation, no lodge could be successful. We will be considering some very important decisions in the coming months, the merger of Prattville Lodge and what it will mean for our Lodge. With your continued assistance, I know we will be successful in these efforts. Please continue to support our many activities each week, for without the support of our members we could do nothing. I would like to leave you with this thought: attitude is the key to success. With the right attitude, anything is possible. Please make your plans to attend our general membership meetings, these are usually very short and gives you an opportunity to approve the recommendations of the Board of Officers. Cordially & Fraternaly, Willard Kitchens

Moose Legion Chairman Comments: Hey! Hey! Hey! Ain't it great to be a Moose Legionnaire!!! Welcome NEW Moose Legionnaires; Jim Gaddy, Tommy Johnson, Alston Keith, Daryl McTigue, Harold Moran & Rex Osburn! These men have earned the right and stepped up to serve the LOOM in a greater capacity. On March 3, 2012, there will be a Moose Legion Leadership Training Class (8 am–2 pm/\$25 fee for material) followed by a mini conferral ceremony to honor these men. Moose Legion Supper Plates will be served on two Thursdays this month, the 9th and 23rd. Thanks, Louise Antisdell and everyone else that helps support the Moose Legion. Don't forget to see me and purchase a raffle ticket on the flat screen TV. We will draw the winning name on March 2, 2012! Moose Legionnaires separate the men from the boys! Robert "Bub" McCloud

Senior Regent's Comments: The year has really flown by and I am so grateful to the WOTM Co-workers that really stepped up to the plate and contributed so much to our Chapter and its success. With only a few months left in this fiscal year we are not slowing down and have a karaoke contest set for February with Debbie Hughey contributing her time and talents to the Family Involvement Committee. And if you know Debbie, you know it is sure to be a blast! We collected and sent in 200 Box Tops for Education last month and are proud to

be contributing to our Mooseheart School! Please continue to bring in those tops!!! Thanks to the LOOM Board of Officers for working with us toward a very successful year! *Alone we can do so little; together we can do so much!* Mary McCloud
